Construction Finance

The Construction Industry: The Way Forward

Jun 12, 2024

Md. Nazmul Hasan

has successfully completed the online, non-credit Specialization

Construction Management

Successful completion of the Construction Management Specialization indicates students have completed all 5 courses with topics ranging from project initiation and planning, project scheduling, construction cost estimating and cost control, and the value of money in the construction industry. Real-world examples by industry experts allowed students to receive up-to-date insights into large-scale international construction management projects.

Ibrahim Odeh, Ph.D.,
MBA, Instructor,
Department of Civil
Engineering and
Engineering Mechanics,
Columbia University.

The online specialization named in this certificate may draw on material from courses taught on campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
